fair

# Procurement Landscape in Scotland

Cat A - National Contracts
  Cat B - Sectoral Contracts
  Cat C - Local Contracts

# Current Hardware Agreements

£200M

**Approach: To embed Sustainability throughout the procurement exercise**

## **Considerations**

- Environmental
- Social & Ethical Responsibility
- Workforce Matters
- Packaging
- End of Life Management
- APUC Supplier Code of Conduct

# Do you know your supply chain?

- Supply Chain Mapping Tool (Award criteria)
- 1<sup>st</sup> Tier, COO & Site
- 2<sup>nd</sup> , 3<sup>rd</sup> & 4<sup>th</sup> Tier
- Contract Management
- Engage with Electronics Watch
- Workforce issues
- Sustain Database

# Mining - Tackling Conflict Minerals

- Conflict minerals policies
- Beyond the 3TGs
- Certified smelters
- Identify & verify mine of origin
- Risk management
- Annual reporting
