GPP case study series

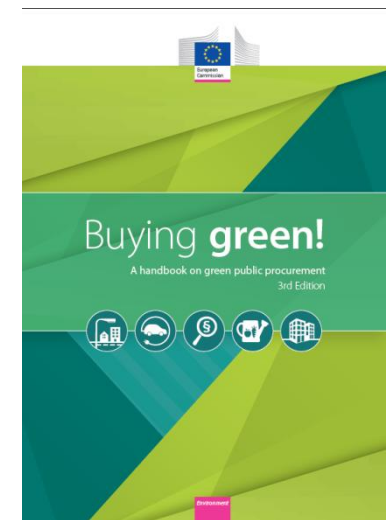

All available here: <http://ec.europa.eu/environment/gpp>

# Buying Green Handbook (2016)

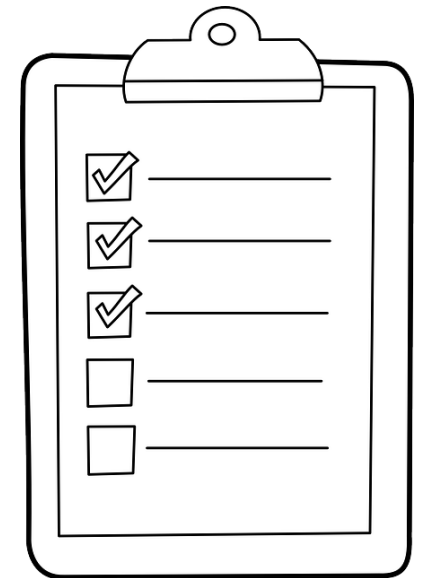

- Introduction to GPP
- Step by step guide to introducing GPP at each stage of the procurement process in a legally compliant way
- Guidance on developing policies and setting targets
- Sector specific advice on buildings, food and catering services, road transport vehicles and energy using product

## EU GPP criteria

- Criteria to be used directly in tender documents
- Core and comprehensive criteria sets (to meet different ambition levels) – Core designed to be used by any EU public authority
- Accompanied by background technical document:
  - Scope and definitions
  - Key environmental impacts
  - Market availability of alternatives
  - Cost considerations

## GPP case studies

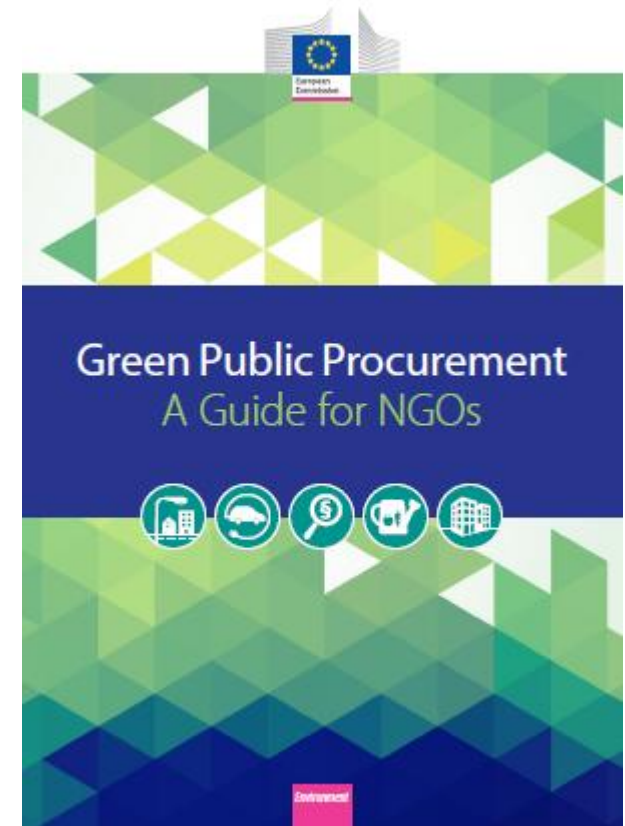

- Over 100 case studies
- Covering 20 procurement sectors
- Examples from almost all EU countries
- Provide a template to follow

## Brochure

- Introduction to GPP targeted at NGOs
- Overview of key GPP sectors
- Selection of 6 GPP examples
- Some fast facts on GPP
- Ideas on how NGOs can work with public authorities on GPP
- Useful references and resources

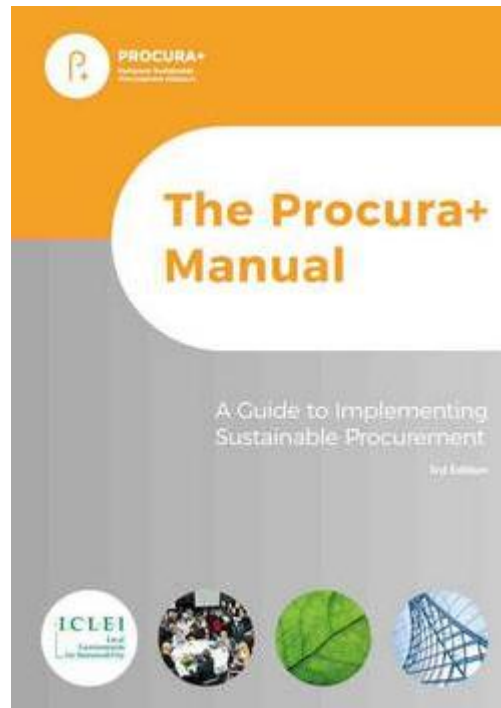

## Procurement Forum

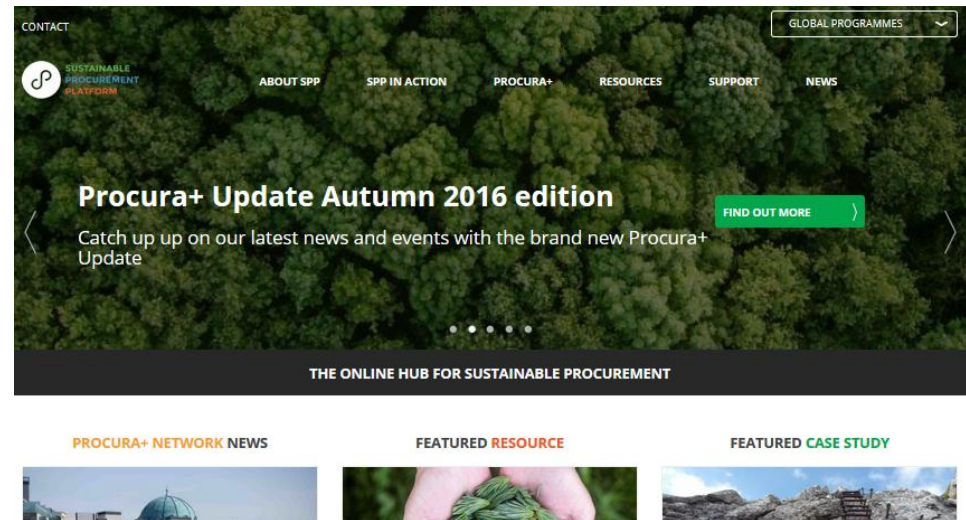

- Online discussion forum on sustainable and innovation procurement
- Over 4,000 registered participants
- European NGO Network on GPP will have a members only group to share information, ideas, ask questions
- Can also post important information/ask questions to the whole Forum
